OLL

Director, Office of Legislative Liaison 3 December 1984

NOTE TO: DCI
DDCI

- o Richard W. Velde (bio attached) has passed to us the word that Senator Dole would like to know the DCI's views on the Quayle Committee recommendation to combine the SSCI and HPSCI into a single Committee. Velde says the Senator stated that he has an open mind. He would like to know, says Velde, by Wednesday.
- o Since you expressed a desire to see Senator Dole soonest, this might be a good catalyst.

Charles A. Briggs

STAT

N.B. Velde implied that Senator Dole might make him liaison for intelligence.
